MESSAGE from ICAS SECRETARY-GENERAL

I address the amateurs and sports fans all over the world, the representatives of the universal sport community, the leaders of all the sports federations and organizers of any amateur competitions, join our movement, that unites amateurs and sports fans all over the world.

The International Council of Amateur Sports (ICAS) is an international non-political organization, which promotes and develops amateur sports in the world. In its activities ICAS follows the provisions of the Worldwide Charter for Amateur Sports (The Roman Charter).

Our main objectives are:

- to promote self-realization of the participants of our movement;
- establishing a world common amateur sports platform;
- organizing and holding amateur sports events and championships as part of the World, Continental and Regional Games under the patronage of the ICAS;

Host City - Limassol

Limassol : Geroskipou Dam, Nicosia

Venue description

The Germasogeia Dam is constructed at the northern limits of the City Limassol 4km away from the coastal area on the river Amathos.

It was built in 1968 on land belonging to the Municipality Germasogeia, Akrounta and Foinikaria communities to support agricultural activity and water supply systems of the region.

The dam is earthfill type and its height is 49 meters.

The area saving water is 110 hectares and can store 13.5 million cubic meters of water.
